1. The first part of the report covers the period from January 1, 1941, to December 31, 1941. It includes a detailed account of the work done during this period, including the completion of the first volume of the series, the preparation of the second volume, and the completion of the third volume. It also includes a list of the names of the persons who have been associated with the project during this period.

2. The second part of the report covers the period from January 1, 1942, to December 31, 1942. It includes a detailed account of the work done during this period, including the completion of the fourth volume of the series, the preparation of the fifth volume, and the completion of the sixth volume. It also includes a list of the names of the persons who have been associated with the project during this period.

3. The third part of the report covers the period from January 1, 1943, to December 31, 1943. It includes a detailed account of the work done during this period, including the completion of the seventh volume of the series, the preparation of the eighth volume, and the completion of the ninth volume. It also includes a list of the names of the persons who have been associated with the project during this period.

4. The fourth part of the report covers the period from January 1, 1944, to December 31, 1944. It includes a detailed account of the work done during this period, including the completion of the tenth volume of the series, the preparation of the eleventh volume, and the completion of the twelfth volume. It also includes a list of the names of the persons who have been associated with the project during this period.

5. The fifth part of the report covers the period from January 1, 1945, to December 31, 1945. It includes a detailed account of the work done during this period, including the completion of the thirteenth volume of the series, the preparation of the fourteenth volume, and the completion of the fifteenth volume. It also includes a list of the names of the persons who have been associated with the project during this period.

6. The sixth part of the report covers the period from January 1, 1946, to December 31, 1946. It includes a detailed account of the work done during this period, including the completion of the sixteenth volume of the series, the preparation of the seventeenth volume, and the completion of the eighteenth volume. It also includes a list of the names of the persons who have been associated with the project during this period.

7. The seventh part of the report covers the period from January 1, 1947, to December 31, 1947. It includes a detailed account of the work done during this period, including the completion of the nineteenth volume of the series, the preparation of the twentieth volume, and the completion of the twenty-first volume. It also includes a list of the names of the persons who have been associated with the project during this period.

8. The eighth part of the report covers the period from January 1, 1948, to December 31, 1948. It includes a detailed account of the work done during this period, including the completion of the twenty-second volume of the series, the preparation of the twenty-third volume, and the completion of the twenty-fourth volume. It also includes a list of the names of the persons who have been associated with the project during this period.

9. The ninth part of the report covers the period from January 1, 1949, to December 31, 1949. It includes a detailed account of the work done during this period, including the completion of the twenty-fifth volume of the series, the preparation of the twenty-sixth volume, and the completion of the twenty-seventh volume. It also includes a list of the names of the persons who have been associated with the project during this period.

10. The tenth part of the report covers the period from January 1, 1950, to December 31, 1950. It includes a detailed account of the work done during this period, including the completion of the twenty-eighth volume of the series, the preparation of the twenty-ninth volume, and the completion of the thirtieth volume. It also includes a list of the names of the persons who have been associated with the project during this period.
